INTERNATIONAL STUDENTS ONLINE

In addition to the 1,126,690 international students who pursued in-person study in the United States in 2023/24, 18,129 international students enrolled online from abroad.

Note: Percent distribution may not total 100.0 due to rounding

Note: Numbers include both enrolled international students and international students on Optional Practical Training (OPT) for all tables except new enrollments. Numbers from 2020/21 - 2022/23 include international students enrolled online from abroad.

*Projection of total U.S. higher education. Source: National Center for Education Statistics, 2024.

The Institute of International Education (IIE) has conducted an annual census of international students at U.S. universities since 1919. Published since 1949 and supported by the U.S. Department of State since 1972, the Open Doors project provides detailed data on student flows into and out of the U.S. Visit us at: http://www.opendoorsdata.org.

OTHER FORMS OF EDUCATION ABROAD

In addition to the 280,716 U.S. students who received academic credit for study abroad in 2022/23, 333 institutions reported that 25,692 students participated in non-credit experiential activities, such as work, internships, volunteering, and research abroad. Furthermore, 116 U.S. institutions reported that 14,890 students participated in online global learning opportunities, including remote internships, collaborative project-based learning, and video-conference dialogues.
